

Wire Person / Panel Wirer

We are looking for permanent experienced telecoms / control panel wirers to join our team.

Based at our office in Coventry, you will be experienced and competent in panel building in a workshop environment, and able to work on your own initiative and as part of a team. We are looking for candidates who are familiar with reading and working from electrical drawings and used to working to ISO 9001:2015 standard.

We are looking for a basic level of fabrication and IT skills, additional electrical qualifications and / or experience of testing in this environment would be desirable. Working hours are Monday to Friday, 7.30am until 4.00pm

If you are professional, motivated and flexible, with strong technical skills and a can-do attitude, you could have what it takes to thrive here. So if you're looking for a permanent role and the chance to build a career with a business that is growing rapidly this could be the ideal opportunity.

To apply for this role please send you CV and a covering letter telling us why you'd like to come and work with the team here at Optilan and what you can bring to this role.

Please make sure you include details of your current salary and notice period and send it to our HR team at recruitment@optilan.com.
